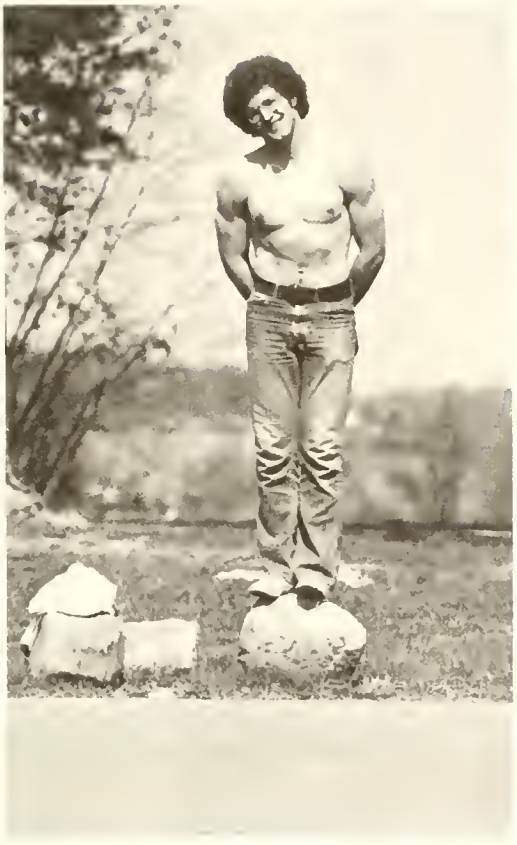
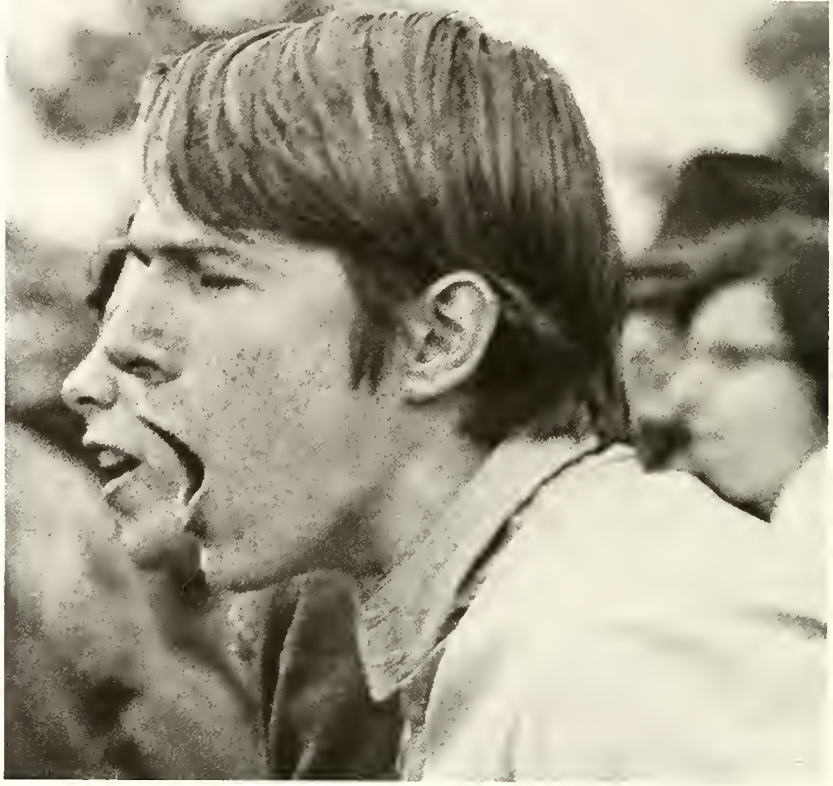
Are you genuine . . .





Or merely an actor . . .

A representative . . .

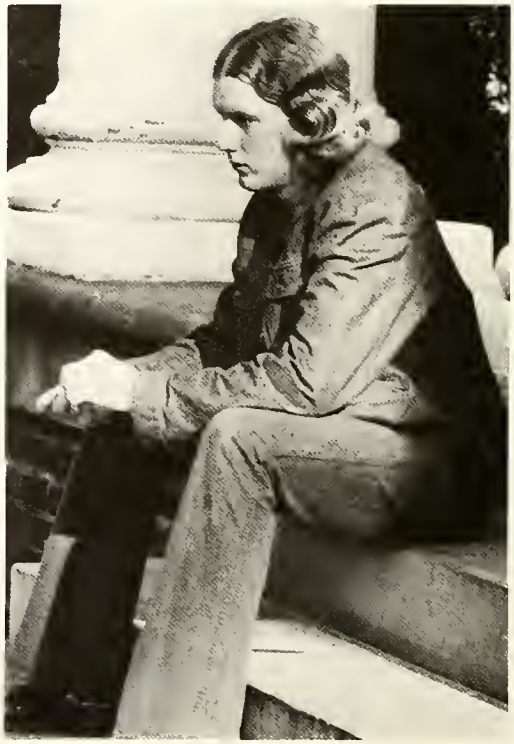
Or that
which is represented . . .

In the end, perhaps you are
merely a copy of an actor.

Are you one
who looks on . . .

Or one who lends a hand . . .

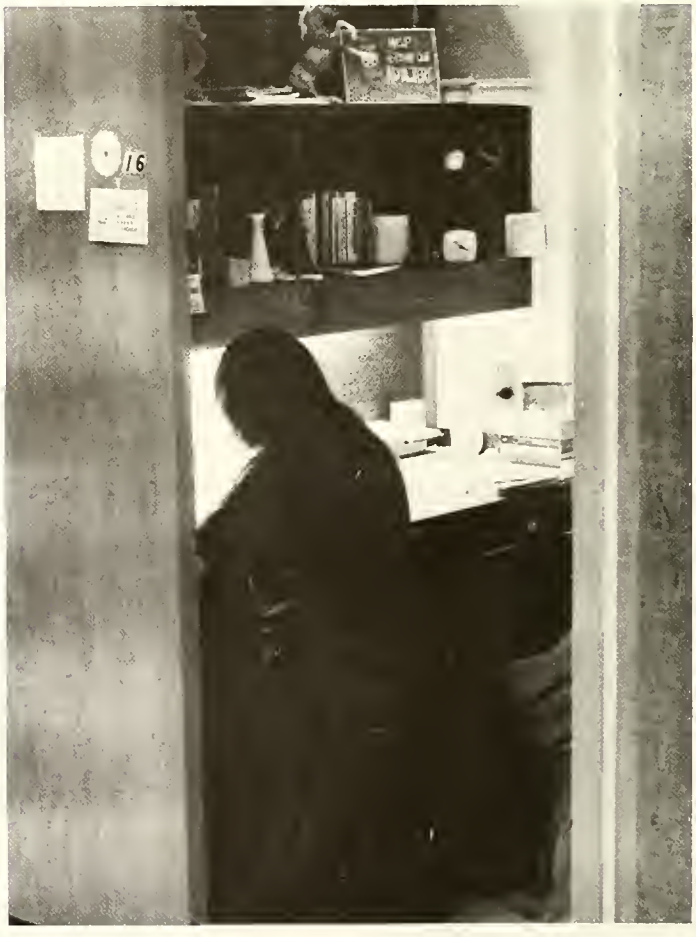
Or one who looks away
and walks off?



Do you want to walk along . . .

Or walk ahead . . .

Or walk by yourself . . .



One must know what one
wants and that one wants.

I would like to take this opportunity to thank the student body for their understanding and patience in the delay of this years yearbook. I especially would like to thank Mrs. Ussery of the communications department along with Mr. Mahler, David Greve, and most of all to the hardworking 1972 Chilhowean Staff for making the 1972 annual possible.
